Dear Kathleen Delaney,

On behalf of SEIU Nevada members, I am pleased to inform you that you have received our endorsement in your bid for Clark County District Court Judge.

Our members are very appreciative that you took the time to come and speak with us about your vision for the future of the Clark County District Court. The Executive Board's decision to endorse your candidacy was made after careful consideration of recommendations from the interview panel. A major factor in the decision was your support for issues that matter to working families, such as workers' right to organize and collectively bargain.

This endorsement will be communicated to more than 17,500 worker represented by SEIU Nevada statewide, including thousands of nurses, healthcare workers and public service employees right here in Clark County.

We look forward to working with you in the days ahead and wish you the best of luck in your race.

Respectfully,

Jane McAlevey
Executive Director, SEIU Nevada
